Team Building workshop

Lantau Pottery Studio provides a relaxed environment to facilitate creativity and foster a sense of community, which is great for a team building experience. All our ceramics are fired in our kiln to 1200° C. The final product is **food safe**, microwave & dishwasher safe, just like any other ceramic bought commercially.

Pick up: You will be notified 3 to 4 weeks after completion when your piece is ready. You can either pick it up (we'd love to see you again!) or have the option for us to post your piece back to you.

Pottery Painting Workshop

We welcome you to select from our ready made pottery (bisqueware) , get creative with your painted design using our ceramic colors (underglazes).

After you paint your pottery pieces, we will let them dry for a few days before we apply the clear glaze for you and place them in the kiln.

Ticket Fee: \$320/person + materials fee.

Materials fee: \$30 to \$100 per item, your choice of prefabricated pottery (Bisqueware).

Session includes: Use of aprons, tools & materials for: underglazes, pencils, brushes, tape, and all necessary stationery, glaze firing & handling services.

Hand-Building Workshop

Get your hand dirty with clay. You will be guided through the hand building process of pinching and slab rolling to make a personalized tea set: cup, spoon and saucer. With textures and some colored detail, add unique interest to your pieces using found objects, stamps and other tools.

After the workshop the pottery needs to dry completely and go through two separate firing processes: bisque-firing & glaze-firing. You can choose one of our glazes that we will apply for you.

Workshop Fee: \$580/person

Session includes: Up to 2KG of clay/ person use of aprons, tools & materials for: underglazes, bisque and glaze firing & handling services.

What to wear: We highly recommend wearing clothing you won't mind getting dirty. Jewelry such as rings, bracelets, and watches should be removed. Hair tied up and long nails trimmed are advised for a productive experience.
